

Purple Soup's Escape Room challenge will see your employees working as a creative, collaborative team in order to escape from a locked room.

This activity will only result in success through high-functioning teamwork - every member of the team will play a valuable role in solving a variety of visual puzzles, unravelling clues and cracking codes to escape the room they're trapped in.

A tight time frame will ensure this activity is exciting, challenge and gets the adrenaline pumping.

This activity makes a great inclusion into an offsite or conference.
