

COCKTAIL MAKING CHALLENGE  
**SHAKEN**  
*not stirred*

Purple Soup's Shaken, not Stirred cocktail-making classes will reward staff as they shake, muddle and blend some delicious cocktails under the guidance of our own mixologist.

Using a combination of premium spirits and fresh ingredients, Purple Soup's cocktail-making classes are suitable for novices and connoisseurs alike. And at the end of the session, everyone will get to drink their own creations.

Our package includes alcohol, garnishes, fruit, and premium ingredients, glassware and equipment, and Purple Soup can also arrange dinner for your team, as well as transportation to and from your workplace.

Suitable for absolute beginners, this activity can be as fast-paced or as laid back as you like! Either way, it's a fun-filled activity where everyone will get their groove on.
